

Mentle Cookie Policy

When you access and/or make use of our Services, we send one or more cookies (small text files containing a string of characters) to your device that uniquely identifies your browser. By using our site, you agree to our use of cookies.

We use cookies to improve the quality of the software and service by storing user preferences and tracking user trends. Cookies alone tell us nothing about who you are. Pixel tags generate a generic notice of a visit to the Site. Pixel tags are used in conjunction with cookies to anonymously track the activity on the Site by a particular browser on a particular site.

The type of cookies we use can generally be categorized under one of the four categories below. These are cookies required for our Site's operation and to provide you with the best browsing experience and they fall into the following categories:

- **Operational cookies (Also known as Necessary Cookies):** These cookies are essential, as they enable you to move around the Services and use its features, such as keeping you locked in during your visit to the Services, and accessing certain areas of the site and the services that we make available to you. You can decline these Cookies by changing your browser settings but, because they are strictly necessary for the operation of the Site, we cannot provide you with the Site without this type of Cookies
- **Performance cookies:** These allow us to gather information about how you make use of the Services, recognize and count the number of visitors and collect information about how visitors move around our Services when they are using it. This cookie helps us to improve the way our site works, for example, by ensuring that users can find what they are looking for easily. The information we collect using these cookies does not gather information about your identity. All information collected using this cookie are anonymous and is only used to improve how the Service works.
- **Functional cookies:** These cookies enable the website to provide personalization and enhanced functionality. For instance, they can be used to remember your name and location if you provide this information. They may be set by us or by third party providers whose services we have added to our pages. If you do not allow these cookies, then some or all of these services may not function properly.

- Targeting and advertising cookies: These cookies record your visit to our website and your browsing habits, such as the pages you have visited and the links you have followed. They are used to deliver advertising that is more relevant to your interests and may limit the number of times you see an advertisement. They may be placed by us or by advertising networks with our permission. Please note, that these cookies do not contain any of your personal information.
- Social media cookies: These cookies enable social media functionality and track activities like content sharing with friends and networks on social media.
- Session Cookies: Any of the above-mentioned cookies may be a session cookie. Session cookies are not permanent and only remain on your device or computer from the point at which you visit our Service until you close your browser. Session cookies are automatically deleted when you close your browser.

For more specific details of the Cookies that we use, please refer to the details below.

Purpose and description: Unique user ID that recognizes the user on returning visits.

Is strictly necessary: No

Expires: Session

Your consent and control over cookies placement

A pop-up requesting for your consent will be displayed to you before Cookies are placed on your computer or device. By consenting to the placement of Cookies on your device, you enable us to offer you the best possible experience when you make use of our Services. You may refuse permission to the placement of Cookies if you so desire; however, certain aspects of Our Service may not work properly or as intended.

In addition to the controls provided by Us, you can enable or disable Cookies in your internet browser. Most web browsers also let you choose whether to disable all Cookies or just third-party Cookies. Most internet browsers accept Cookies by default, however, this can be modified. For more information, please see the help menu in your web browser or the documentation that came with your device.

Changes to this Cookie Policy

We reserve the right to change this Cookie Policy at any moment. Any such modifications will be binding on you upon your first use of Our Site following the changes. As a result, you should revisit this page from time to time.

If there is a discrepancy between the current version of this Cookie Policy and any earlier version(s), the current and in effect provisions will take precedence unless indicated differently.
